ANNUAL REPORT OF MINING OPERATIONS

The informational requirements of this form are based on provisions of the Mined Land Reclamation Act, Title 40-8, Utah Code Annotated 1953, as amended, and the General Rules as promulgated under the Utah Minerals Regulatory Program. An operator conducting mining operations under a Notice of Intention must file an annual operations and progress report (FORM MR-AR) with the Division.

I. General Information

1. Report Time Period: From (mo./yr.) 1/99 To (mo./yr.) 12/99
2. DOGM File Number (Mine No): M 037 1006
3. Mine Name: Rim Columbus Mine
4. Mineral(s) Mined (or permitted to mine): Uranium and Vanadium
5. Type of mine ☐ Surface Mine or ☒ Underground Mine
6. Legal Description (Location of Lands Affected):
1/4, 1/4, 1/4, Section 29, Township 31S, Range 25E
1/4, 1/4, 1/4, Section , Township , Range
1/4, 1/4, 1/4, Section , Township , Range
7. Name of Operator or Company: International Uranium (USA) Corporation
8. Permanent Street Address: 1050 Seventeenth Street
City, State, Zip: Denver, Colorado 80265
Phone: (303) 628-7798
9. Company Representative (or designated operator):
Name: Michelle R. Rehmann
Title: Environmental Manager
Business Address: 1050 Seventeenth Street Ste 950
City, State, Zip: Denver CO 80265
Phone: (303) 628-7798 Fax: (303) 389-4125

☒ Please check if any of the above information has changed since previous year.

II. Mining and Reclamation

1. Was there any mine related activity during the past year? Yes ☒ No ☐
2. If no - what was the last year of activity? _____
3. If yes - how much ore or mineral was mined? Approximately 1500 tons

4. Briefly describe the type of work performed, volume of material moved, and any new or additional surface disturbances that occurred during the past year.
The mine adit and site access road were repaired
5. How much additional acreage was disturbed during the past year? None
6. How much acreage was reclaimed during the past year? None
7. Briefly describe the reclamation work performed during the past year. This description should include methods employed, and an evaluation of the results.
No reclamation conducted.
8. What is the total disturbed acreage of entire project at years end? Approximately 12 acres.
9. Briefly summarize any mining and/or reclamation plans for the upcoming year.
Project currently in standby status.

NOTE: Section III., "Additional Information" applies only to large mining operations.

III. Additional Information

1. An updated surface facilities map should be attached if there have been significant changes since the previous map was submitted.
2. Any monitoring results or other reports that are required under the terms of the approved notice of intention should also be attached.

IV. Signature Requirement

I hereby certify that the foregoing is true and correct.

Re: Annual Report of Mining Operations

Dear Staff:

Enclosed is the Annual Report for the following:

Rim/Columbus Mine

M/037/006

The Rim/Columbus Mine Annual Report for 1999 was omitted from the Annual Reports submitted on February 2, 2000 for the International Uranium (USA) Corporation mines in San Juan County. At that time we were verifying the information for the Annual Report; we subsequently neglected to file the Annual Report enclosed herewith.

If you have any questions, please call me at 303-389-4161. Thank you.

Sincerely,

Terry V. Wetz
Director of Project Development
